There is no better time to get in front of influencers, tech enthusiasts and consumers than the 2014 International CES

Our team has over a decade of experience covering the International CES (Gannett/TheDroidGuy/Nibletz/TechFaster) and proves you after year to have superior engaging coverage.

Through a carefully balanced mix of blog coverage, video coverage and social engagement, TechFaster delivers CES Faster.

There are several key places where a coverage sponsorship gets you in front of a targeted, large and engaged audience.

Our team will be on the ground from January 5th-10th to catch all the action

Reach Your Audience... Faster

Whether you're looking to reach tech influencers, and buyers on-site in Las Vegas or the masses of consumers at home tuned into all the action, TechFaster delivers your audience faster.

Video- By working with our partners we've crafted a way that gets our videos out to the web and with views typically less than 50 minutes after the video is shot. We average 80-100 videos per event. This CES we're aiming for 200

Social- Our engaged social following is over 101,000 strong (@imkyles @techfaster) all opt in, targeted, engaged and active.

Blog- Experience means that we know the ins and outs of covering a show this size and get out blog entries faster
